

The Area 3 Song

Words by Karen Trotter

Sung to the tune of "I Love to Hear That Old Barbershop Style"

Let's sing a song, one of a kind
Leave all your troubles and worries behind
It's fun to sing with friends in Area 3 (Love that 3)

Sing with us now, ballad or jazz
Sing it with feeling or razz-a-ma-tazz
You'll Love to sing with friends in Area 3 (Area 3)

We've got Queens, champs all around,
Friends from our town, I'll tell you,
When they sing, chords fill the air
(Bass lead in) Oh boy, boy ~ what a sound!

Just give me awhile, save me a place
Soon I'll be singing both Tenor and Bass
I love to sing with friends in Area 3 (stomp)
The place to be
You know that I love to sing with friends in Area 3 (Leads hold).
