

AC&C 2025 HOST CHAPTER

NIAGARA FRONTIER CHORD AUTHORITY Presents

LIGHTS, CAMERA, ACTION! A NIGHT AT THE OSCARS

Take some time to *shine* in the hospitality room. Come in to get off your feet from standing on the *red carpet* and chat with other *stars* since you didn't have time to talk on set! BUT, don't forget to make time for shopping as all *celebrities* tend to do. Come take a look at a variety of items that all *Oscar winners* need. Get a scarf to class up your outfit, a handy wristlet keychain, useful bookmarks, chapstick holders, beaded pens as well as wonderful pouches that can hold your jewels, pens, tea bags, ear buds or even a pitch pipe! PLUS, to thank the *stars* you have worked with or get a gift for someone at home, come get some of our colorful felt flowers.

COME PREPARED AS WE ARE ONLY ACCEPTING CASH!
